

AYG

About us

Located in Geghashen, AYG is a modern enterprise producing a wide range of natural premium dairy products. All AYG products are made only from high-quality raw materials obtained on our own farms from high-mountainous alpine meadows. Products undergo multiple laboratory control at all stages of production. The naturalness of the products, consistently high quality and the absence of artificial additives ensure high competitiveness in the market and customer loyalty. With over 50 product lines, AYG proudly offers a diverse range of dairy products, including variety of cheese, yogurt, matsun, cottage cheese, sour cream, ice cream and more.
