## ABOUT US

Our endeavour began in 1995 under the name of our parent company, **BADJATE AGRO**. We have been processing and supplying highest quality of raisins since decades. The company's founders are Mr.Mahendra Badjate and Mr.Rajendra Badjate.

We have achieved our extensive expertise in the arena of Raisins. We chose this business as Nashik was heavenly gifted with good climatic conditions for Grapes. Nashik produces nearly 50% production of grapes of India. Also, it yields high-quality raisins.

We, as a recent generation, founded **Badjate Exports** to extend and scale our business from the domestic to the international markets. This company is led by Mr.Sumit Badjate, Mr.Ankit Badjate and Mr.Samyak Badjate. Badjate Exports offers a diverse range of products such as raisins, turmeric, maize & dehydrated products.

We provide wide range of Raisins to cater the needs of our client. Our Company's vision is to provide the best quality product so that the relationship between us last eternally.

Our mission is to become the leading processor & exporter of Raisins in the world. We wish to incorporate all of the most recent technology breakthroughs to provide our consumers with highest-quality raisins. We are continuously learning and growing as a company. We would like to encourage individuals to consume more raisins in their daily lives as it has immense health benefits. Its an ultimate healthy snack for those who have high sugar cravings. We are just the medium through which people could adapt healthy living practices.
