

FUSION
DEHY FOODS & SPICES

“A Fusion of Test
and Quality”

About us

Fusion Dehy Foods and Spices is one of the Top-Tier manufacturers supplier and exporter of **INDIAN** dehydrated onion , toasted onion, crispy fried onion, dehydrated garlic and spices in premium as well as economical range throughout Globe.

We have immense productions of dehydrated onion and garlic in various variants with professional and modern machinery that assures quality of our products.

We've gained excellent reputation in international markets as we're committed to quality and customer satisfaction.

As a manufacturer we serve clients for exclusivity in every possible customization.

FUSION DEHY FOODS & SPICES located geographical opportunity of being in center which is best growing region of onion, garlic and many spices. The region where we come from has been rich and well-known for onion across the globe. The region contributed a fair share to the global onion exports. Thus Mahuva was recognized as the “silicon valley” of onions. Gradually food process industry came into existence.

The raw materials are directly purchased from agriculture field and material processed in fully automatic (centrifugal) drying production system to ensure products are fully hygienic, natural and without any preservatives. We operate our facilities and process products according to our product specification and in a customized way as per the requirement of the customer. We help our customers to stay efficient by ensuring traceability, supply access and continuity.
