Council Of Indian Food Trade

Council of Indian Food Trade (CIFT) is an apex trade and investment promotion organization in Indian Food Industry. CIFT is serving as global platform for trade facilitation, partnerships, technology, investments and agribusiness services. A proactive approach helps CIFT in discerning critical challenges emerging in Indian agriculture along with creating opportunities for development, value addition and international trade to augment farmers' growth and farm revenue. Industry oriented working groups and sector specific councils, CIFT represent the interests of key stakeholders at the national level, through international platforms and partnerships it facilitates global engagement and positions India's food and agriculture sector prominently on the world map. CIFT's efforts are also recognized and supported by the Ministry of Small and Medium Enterprise. We work towards facilitating the growth of Indian food industry with global investment & trade opportunities. The council provide strategies for expanding business internationally, by organizing specialized business events and simultaneously working with the Government by providing policy suggestions which are essentially based on inputs collated from research and industry stakeholders.
