# ENGINE Oils

SAE 10W30

SAE 10W40

SAE 15W40

SAE 20W40

SAE 20W50

## Description:

These engine oils are of premium quality heavy duty lubricant designed specifically to meet wide range of passenger car engines, motorcycles & light industrial vehicles in all operating conditions (city, traffic, highways and motorways) and during all seasons.

## GEAR Oils

SAE 80W90

SAE 85W140

SAE 90

SAE 140

### Description:

These are extreme pressure multi grade gear oils. Recommended for conventional transmissions & hypoid differential gears, worm spiral and bevel gear lubrication.

Essentially meets: API GL-4 & GL-5 Type.

# BRAKE FLUIDS

DOT 3

DOT 4

## Description:

These are superior quality fluids for hydraulic brakes of both conventional as well as modern automotive equipment. They possess high thermal & excellent chemical stability. They are corrosion resistant, having good water tolerance and fluidity.

Essentially meets: Dot 3 & 4 SAE J 1703 & 1704 Type.

# ATF

DEXRON III

DEXRON IV

## Description:

Premium quality oil having thermal & oxidation resistance. Specialized for varied temperature fluidity, seal compatibility, foam corrosion & anti wear control. Recommended for use in Automatic transmission, power steering units synchromesh gear boxes of Automobiles, LCV's and trucks.

# GREASE

## Lithium based

These Greases are lithium soap based, all purpose premium quality greases. These are resistant to water washing and can withstand high temperatures. These have good oxidation and thermal stability and do not soften excessively on working.

## Calcium based

These are calcium based grease containing additives that impart extreme pressure properties. Having smooth and stinging structure, it does not get displaced easily with vibration and shock loads. It is also water resistant. They have good adhesion to metal surfaces.

# SHAVING BLADE

**GEFI™**  
PREMIUM QUALITY  
PLATINUM  
BLADES  
Made from Japanese Steel

20 Packets of 5 Blades

**GEFI™**
